

Dear Parent/Carer,

Inspiring Futures Day: 9th November 2022

After our successful Inspiring Futures Days last academic year, we are pleased to announce the next one on Wednesday 9th November 2022. This is a day for all students to experience some focused learning in an area of the curriculum, in an interactive, exciting way. Students will **not** follow their usual timetable for this day but will instead participate in extended curriculum learning.

Please see below details regarding the plan for each year group for the day. Students in all year groups are expected to wear full uniform. The timings of the day, along with break and lunch arrangements for students will remain the same.

If you have any questions, please contact either your child's Aspire Lead, the lead member of staff for your child's year group activity or myself.

Yours faithfully

Mrs M Turner
Deputy Headteacher
